Terms & Conditions

- Should **Hunter's Heart Taxidermy (Pty) Ltd be appointed to mount trophies** requiring importation into South Africa, the client will automatically **qualify** for a **special discount** and will have the option to utilize our **professional logistics team** for the importation process. This service offers significant added value by ensuring a streamlined, compliant, and efficient import experience.
- Taxidermy orders have an **estimated turnaround time of approximately 14–18 months**; however, this timeframe is an estimate only. Production scheduling is determined by the size and complexity of each order, as well as overall order intake. Larger or group orders may require additional time due to their scope and complexity. All orders are completed with the utmost care, with efficiency balanced against our commitment to the highest standards of quality. A deposit, finalised mounting instructions, and receipt of all trophy items are required before an order may enter production. The estimated turnaround period excludes December, as our workshop closes during the festive season to allow for an annual shutdown.
- A **50% deposit** is required to **confirm your order**. The remaining balance is payable prior to shipping or collection. **Mounting instructions** will be processed, and **production will commence**, only once the required **deposit has been received**.
- **Dip & Pack** orders have an estimated turnaround time of **approximately 3–4 months from the date payment is received**. Where applicable, all **Dip & Pack charges are payable in full in advance**.
- **Clear mounting instructions** for each trophy must be **confirmed and accepted either by means of a signed quotation or in writing**. The accuracy and completeness of all mounting instructions remain the sole responsibility of the client.
- **No Dip & Pack fees** are applicable where trophies are **mounted by Hunter's Heart Taxidermy (Pty) Ltd**. VAT (Value Added Tax) is not charged on taxidermy or Dip & Pack exports. Prices quoted in this price list **exclude any export-related charges** or EU surcharges, where applicable.
- **Shipping fees, clearing charges, and importation costs** for trophies originating **outside of South Africa** are **not included** and are for the **client's account** (Note: Hunters Heart Taxidermy (Pty) Ltd **"Above & Beyond"** service). Prices further exclude packaging, crating, transport, administrative and documentation fees, as well as delivery or postage charges.
- It is the **client's responsibility to ensure** that all **trophies** receive **field preparation to acceptable standards**. Upon **request**, we can **assist** your **outfitter** with this process as part of our **Above & Beyond** service.
- All **trophies collected and received** by Hunter's Heart Taxidermy (Pty) Ltd are **considered works in progress**. **Full Dip & Pack charges will apply** if trophies are removed to another facility before completion.
- The mounting **prices quoted and accepted** by clients are fixed and **will not be adjusted due to fluctuations in the exchange rate**.
- Hunter's Heart Taxidermy (Pty) Ltd reserves the right to amend its **price lists** at any time **without prior notice**.
- **Half Mounts** are charged at 60% of the Full Mount price. Full Mount and Half Mount prices **include a standard base**. Open-mouth mounts incur a 14% surcharge, while Custom and Action Mounts incur a 15% surcharge. All stands and pedestal boxes for Pedestal Mounts are **excluded** and are subject to a separate quotation.
- Obtaining **CITES import permits** is **the responsibility of the client**; however, we can provide assistance upon request.
- **Administration, export documentation, packing, and crating fees are charged at 14%** of the total order value, with a **minimum fee of \$350**.
- Hunter's Heart Taxidermy (Pty) Ltd accepts **no responsibility** for **defects arising from inadequate field preparation**. While all trophies are handled with the utmost care, we disclaim liability for any loss or damage resulting from hair slip, bacterial defects, or external events such as storms, fire, theft, strikes, acts of God, or power or refrigeration failures. In the event that a skin exhibits slippage beyond reasonable use, we reserve the right, at our discretion, to source and use a suitable replacement skin. This measure is taken to ensure the quality and integrity of the final mount and to uphold our commitment to the highest standards.
